

营造教育的伊甸园

▲ 项目名: Iyeden for Chengde 伊甸园 Iyeden Education of Chengde High School of Education Park Area

项目地点: 中国成都
Project Location: Chengde, China

在传统的印象中, 学校总是与庄重严肃相连, 而成都则奉行“休闲”, 这成为设计伊始, 主创与业主最初达成共识“寓教于乐”, 将传统严肃的学校建筑与休闲的氛围。

在建筑语言, 我们“寓教于乐”, 以建筑语言, 将传统严肃的氛围与休闲的氛围, 以建筑语言, 将传统严肃的氛围与休闲的氛围, 以建筑语言, 将传统严肃的氛围与休闲的氛围。

“寓教于乐”这一词, 在西方文化中有着悠久的历史, 而在东方文化中, 则是相对陌生的概念, 其内涵与东方的精神追求有着密切的联系。这一词, 在东方文化中, 有着悠久的历史, 而在西方文化中, 则是相对陌生的概念。

缘起

成都作为“休闲之都”, 其建筑语言与西方建筑语言有着明显的区别。在成都, 人们追求一种轻松、愉悦的生活氛围, 这种氛围也体现在建筑中。因此, 在设计之初, 我们就将这种氛围融入到建筑中, 使建筑成为一种生活的方式。

理念

建筑的意义不在于建造了多少房子, 而在于建造了多少人。在成都, 人们追求一种轻松、愉悦的生活氛围, 这种氛围也体现在建筑中。因此, 在设计之初, 我们就将这种氛围融入到建筑中, 使建筑成为一种生活的方式。

Building an Eden of Education

According to the traditional impression, schools are always connected with solemnity and seriousness. However, Chengde is known for its relaxed and leisurely atmosphere. This became the starting point of the design. The goal was to create a school building that combines traditional solemnity with modern leisure. The design language is simple and modern, reflecting the local culture of Chengde. The building is not just a place for learning, but also a place for living. It is a place where students can enjoy their learning process and find joy in it.

Plan for Academy in the same, and have shared when we carried on to the contemporary time providing the reflection on educational architecture. Chengde High School of Education Park Area is a modern school building in the same, and have shared when we carried on to the contemporary time providing the reflection on educational architecture. Chengde High School of Education Park Area is a modern school building in the same, and have shared when we carried on to the contemporary time providing the reflection on educational architecture.
